**Dear Parents,**

A warm welcome to you all.

As we look forward to a great and enriching year ahead, we want our children to enjoy every moment they spend in school and hence, we would be beginning with the formal syllabus from next week , i.e., **April 9, 2018.**

This would be in regard to the revision of concepts the children had learnt in their previous class from which they would benefit in linking to what new they will be learning new ahead. This would also get them in a routine of " Back to School ". The attendance for this week is compulsory as it would enrich the students with the basic concepts required for the upcoming session.

**General Instructions to be followed:**

- \* Parents must go through the Almanac for " Rules and Regulations " and daily homework.
- \* The almanac must be duly signed by the parents.
- \* The children bring to School their books and note-books which should be properly maintained.
- \* The children prepare their lessons and do their home work regularly.
