When we do our best , God will do the rest”**

**Dear Parents,
Warm greetings**

As you all are abreast that its time for our kids to have ‘Hope’ and to ‘Renew’ themselves for the forthcoming board exams of class X & XII so that they can fulfill the dreams & aspirations of the future. Although we equip our children with all the information required but still some children feel buckling under the pressure of exam. So, to help our kids in soothing the pre-exam jitters ,nervousness & stress we’re going to have ‘**Good-Luck Hawan**’ on 16th Feb, 2018. It’s a jesture to motivate our kids to stop stressing and to make them think how awesome life will be when they go right. The attendance on the same day is mandatory so as they can realize we belive in them & with God’s grace they’ll do better.

Best Regards.
