

Dear Parents,
Warm greeting

“The cultural heritage of a country is a spectacular memorandum of its glorious past. It is that precious inheritance which should be preserved to be passed on from generations to generations. India is one of them.”

As an integral part of experiential learning, the school has organised a trip to “APNI BASTI MELA”

(a trip to Heritage sites) on 18th Nov 2017 for Class IX so that the students learn to appreciate their rich heritage and culture. Students should dress up in complete club uniform with I-Cards and must carry their tiffin. Light refreshment will be provided by the school. Reporting time to school will be same and departure will be at 5:00 pm from school. So, make pick up arrangements accordingly.

NO ELECTRONIC GADGETS ARE ALLOWED DURING THE VISIT

Best regards

(PRINCIPAL)
