Circular No. SGS/152/2017-18
Date :- 15-11-17

Dear Parents,
Warm greeting

As we are aware that proper planning , persistence and perspiration leads to pertinent performance.

Syllabus in classes X & XII are nearing completion and IX and XI is under control. These three months are crucial for enhancing the performance of our kids. Therefore we have planned a special P.T.M for classes IX-XII on 25.11.17 (Saturday) strictly between 9:00 am – 12:30 pm. This PTM is an opportunity to discuss with teachers as how to maximise their potential. Do not miss this opportunity to help your child.

(Please stick to the timings as teachers have other assignments to do

after PTM)

Best regards
