

“A mother is she who can take the place of all others but whose place no one else can take.”

Dear Mothers,

As a token of appreciation for all that mothers do, we at Scholars would like pulling out all the stops to make this **Mother's Day** a truly memorable occasion for you. As the day approaches, we request you to mark your calendars for our special celebrations at SGS on **Monday 13th May, 2024** in school auditorium from **10:00am** onwards. Join us for a heartwarming event filled with love, appreciation and special performances dedicated to all the amazing mothers in our school community.

Highlights of the event include:

- Guest appearance by a renowned gynecologist to share valuable insights on women's health and well-being followed by your chance to get an expert answer to the questions you may have about women's health.
- Fun-filled activities including ramp walk, bottle painting and healthy tiffin ideas by our talented mother participants.
- Opportunities to mingle with other moms and share experiences.

Your presence will make this celebration even more memorable. We look forward to seeing you there.

Kindly note:-

* The mother's Day celebration is to be attended by mothers only.

Best Regards
