

Winter Holiday Homework Grade-I

ENGLISH

1) It's never too late to teach your child proper introductions. By teaching our children about themselves, we will empower them with confidence and awareness about them. For the same we would like our kids to do an activity. Make their own hand made *ID-card*. For your assistance the basic Performa is shared, you can add on other information you like to have about yourself. We would like our kids to wear these ID cards during their virtual online class and have sense of belongingness. The specific Colour ribbons can be used to make the ID card holder ribbon. Please follow the same and let our kids enjoy learning about themselves thoroughly. (*Red Colour Ribbon for Robins, Blue for Swans and Green for Doves*)

HINDI

छुट्टियों में हम वो सब कुछ कर सकते हैं
जो हमें अच्छा लगता है। हमारे पास
मनोरंजन के लिए कुछ नया सीखने का
समय होता है।

- 1) आपने अपनी शीत अवकाश कैसे बिताया।
सभी बच्चे अपना 2 मिनट के वीडियो में बताएं।

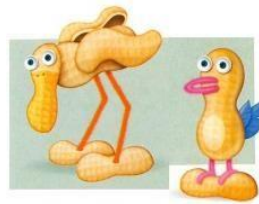

EVS

Reusing the waste material can result in development of fantastic usable products.

It helps kids in developing the ability to think and organize the thinking to create something useful.

- 1) *Dear Kids let's paste the **Pista/Peanuts shell** in the picture of any **animal/bud** you have learnt in your class. Given 2-3 images along with this homework for your assistance.*

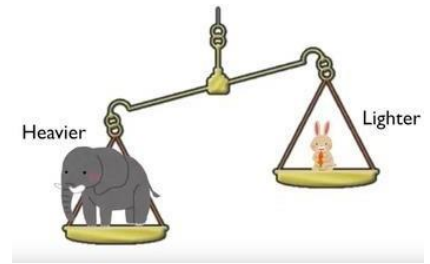

- 2) *Now make a house for the animal/bird (which you have decorated) in your scrap book by using waste material (ice-cream sticks/wool/ pencil shavings, dry leaves etc) and make that bird/animal sit in it's house and feel cozy in this winter weather.*

**A SAMPLE SHARED
FOR YOUR
ASSISTANCE**

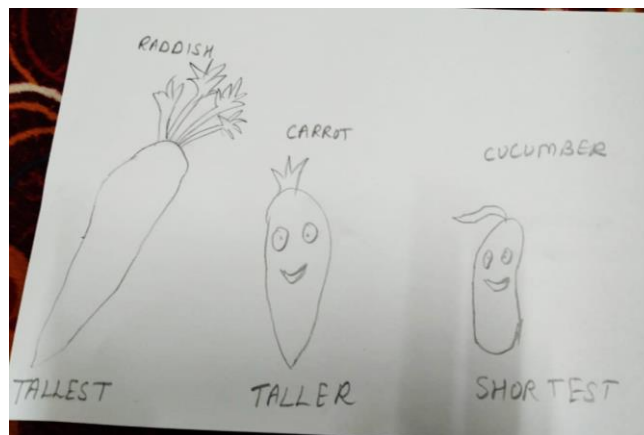

MATHS

Measurement is one of those Maths skills that we use pretty much every day whether we are measuring ingredients for a recipe or figuring out how many more miles we can go. So kids let's try some hands on measurement activities in this small winter break:-

- Kids go on your terrace or garden on a sunny day, enjoy the weather and, measure the length/ breadth of your terrace or garden by foot span or pace and write in your scrapbook.
- In winters we enjoy many fruits and raw vegetables. With nutrition, let's learn something from them, take a carrot, radish, cucumber and check out which vegetable is taller or shorter and draw their pictures in your scrapbook in the sequence tallest-taller -and shortest.

- Improve your hand writing and speed of writing during this vacation. Complete the pages given.

English writing Book- Page – 13, 14, 15
